

# MAY/JUNE 2009 NEWSLETTER

**Our offices will be closed May 25th in observance of Memorial Day**

**\*NO 40 HOUR CLASSES OFFERED DURING THIS WEEK\***

## OSHA ONLINE COURSES

Our **OSHA** approved courses offer the quick, easy-to-use and economical way to receive your OSHA Outreach, OSHA Construction or General Industry courses, OSHA refresher courses and HAZWOPER training.

Our courses are **100 % OSHA Approved** and comply with all applicable federal and state regulations. Detailed information about classes is on the course catalog page. Visit our online instruction center:

<http://wscnodak.edu.360training.com>

## INTRODUCING A NEW CLASS: BASIC WELL CONTROL

A new class will be offered at the Petroleum Safety and Technology Center in partnership with Petroleum College International, University of Houston, Victoria, TX. The Basic Well Control classes will be offered quarterly. **The first scheduled class date is June 8, 2009.**

### Basic Well Control – Drilling (4 days)

Designed for drillers, toolpushers, company reps and drilling supervisors who desire IADC certification as a Drilling Supervisor or those who want a thorough knowledge of well control techniques. Introductory price of \$795 per person or \$725 per person if your business sends four or more employees. Contact Deanette Piesik at 701-774-4246 or by email at [deanette.piesik@wsc.nodak.edu](mailto:deanette.piesik@wsc.nodak.edu) for more information or course outline.

### Basic Well Control - Drilling and Workover/Well Completion (5 days)

Designed for drilling, production and well service employees and for consultants who desire a thorough knowledge of well control techniques in both areas along with IADC Certification as a Drilling and Workover/Well Completion Supervisor. Introductory price of \$995 per person or \$925 per person if your business sends four or more employees. Contact Deanette Piesik at 701-774-4246 or by email at [deanette.piesik@wsc.nodak.edu](mailto:deanette.piesik@wsc.nodak.edu) for more information or course outline.
